

# Tumbao

## Rhythmic Grouping:

Conga Tumba

H T S T H T O O

H T S T H T O O

H T S T H T O O

Yes, and all the other rhythmic grouping exercises you can come up with for an eight note pattern!

## Accent Permutation:

Conga Tumba

H T S T H T O O

H T S T H T O O

H T S T H T O O

H T S T H T O O

Accent every third note of the pattern, then every fifth note.

Don't forget the Additive Process! I'll leave that to you to write out.
